Dear Mr. Gerbner,

I am delighted to confirm with you that you will speak to the Country Day School Headmasters Association at St. John's College, Santa Fe, NM on Wednesday, June 19th at 11.15 a.m. I am sorry that we were not able to accommodate your request for a change to Tuesday evening, but as I said, that would have thrown off our program. We also would not have found our members necessarily so attentive that evening; they will have been travelling from across the country that day, and will not be expecting an address that evening. Thank you for your understanding.

I have asked Pat Hayot to meet you in Albuquerque as you arrive on Continental #1695 at 4.49 p.m. We will arrange single room accommodation for you at St. John's College, where we will all be staying, and naturally we will see you safely back to Albuquerque for your 3.10 p.m. flight on Thursday. We will reimburse your expenses for the trip and pay an honorarium, as agreed upon.

Please let me know if you require any special audio/visual equipment for your presentation.

I am enclosing a draft of our program for your information.

We look forward very much to your being with us.

Sincerely,

  
Peter W. Stevens

June 24, 1996

Mr. George Gerbner  
University City Science Center - One East

Philadelphia, PA 19104

Dear George,

On behalf of the Country Day School Headmasters Association, I want to thank you so very much for coming to Santa Fe and sharing your time, your wisdom and your thoughts with us. You helped make our conference a great event, and what you had to say was enhanced marvelously by Bob McCannon's visit the next day. He was captivating, as of course you knew he would be.

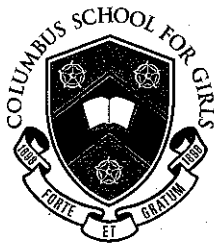

I am today faxing our treasurer Brian Walsh in New York with a request to send reimbursement and honorarium to you. He will send you two checks, one for \$913.70 for expenses and one for \$1000 for the honorarium, as you requested.

With best wishes to you as you continue your important work.

Sincerely,

Peter W. Stevens

Dear George,

Warmest thanks for yet another outstanding presentation. I continue to hear from my colleagues of the Country Day School Head's Association how inspired they were. My hope, like yours, is that each of them will translate inspiration into action in their own schools and communities.

Thank you, too, for the brochure on the Skeptics Conference. It sounds quite fascinating. I really need three lives to pursue all that catches my imagination. I know you can relate to such a sentiment. I was sorry about the van in Sante Fe, but am delighted you made your return flight. I know what a tightly scheduled life you lead.

Hope the trip to the Poconos was grand. We will certainly be in touch.

Warmest wishes,

Patricia T. Hayot  
Head of School
