Dr. Gerbner,

On behalf of the Academic Council of the Parent Teacher Organization (PTO) of Hillside Elementary School I would like to thank you for addressing our television forum on Thursday April 16, 1996.

I have enclosed a copy of the review of the night by the Suburban. I am glad that they paid more attention to the substance of the talk than to the name of the school (Hilltop).

In addition the the following was mentioned in the *Hillside PTO SCOOP* this week:

"Attendees of the television forum presented by Dr. Gerbner and Ken Tucker were treated to an extraordinary event. Many of us came away feeling enlightened by what we heard from these experts. Academic Council sincerely thanks Ken Tucker and Dr. Gerbner for their wonderful presentations."

The week long observance of TV Turn-Off Week at Hillside was a success. In an ironic surprise, ABC's 20/20 visited the school and a Hillside family to record the event. I do not know when it will be used.

Again thank you for it was an informative night.

Sincerely,

  
Edward J. Stevens, Jr.
