

*Mr CS about
Tapes*

CEM Convention Attendees!!

If you are affiliated with an educational institution, please request it purchase as many MEF videos as you think appropriate for classroom use. That is how we are able to keep making them.

If you work with a non-profit organization or high school, ask for the special pricing when you call.

For individual, home use, you may order any of the MEF videos for \$10 off the regular price of \$39, plus \$5 shipping and handling. So, for CEM attendees only, that is \$29, plus \$5 - \$34 per tape. Credit Cards accepted. Offer good until June 1, 1999.

I can take orders here, or you can call MEF at 1-800-897-0089 to place the order. All individual orders are prepaid. For institutional orders, you may preview videos for free before purchasing.

Thank you,
Tom Gardner
